Village Voices

Guidelines

Village Voices is a grant-making charity. *It receives funding primarily from Village Voices Trading Limited, which annually donates its profits to Village Voices for use towards charitable purposes* The charity makes small grants to local groups and individuals for charitable purposes. We know that from time to time there is a financial crisis in the family. Some people may need help to see them through with a loan or a small payment to ease the financial pressure. It may be a personal need or for a family member (a medical aid for example), help with extra educational support or support to access voluntary work There is no one to turn to and you have run out of ideas.

Applications are accepted all year round and the trustees will exercise their discretion as to when and where funding is awarded, based on the availability of funds in each year. If you have questions, please contact the Village Voices team on 01394 411376.

This form is designed to be simple to provide sufficient information to help the Village Voices team help you.

What will we fund?

The list of possibilities is so long that we thought it might be better if we said what we will not fund:

Debt repayment.

Regular payments
